RE: LAKES AREA SEWER AUTHORITY, SANITARY SERVICE LOCATION

Dear Property Owner:

In order to properly stake your sanitary sewer service at your property, we are asking residents that will be away from their homes from September 8, 2009 until April 1, 2010 to please contact me at (269) 449-6845 at your earliest convenience to coordinate the service location for your property. If you are at your home at least once a month during this period, please wait until the stake is delivered to your home. Normally, we stake the sanitary service 3 to 4 weeks before the contractor is scheduled to work on your street.

At this time, we are unsure of where the contractor will begin construction. The progress schedule will be posted to the Wightman web page after it is submitted by the selected contractor(s) at the preconstruction meeting in late August. Depending on the severity of the winter, the contractor may suspend work from January 1 until March 1.

Thanks for your cooperation.

Sincerely,

WIGHTMAN & ASSOCIATES, INC.

David Mitchell, Project Inspector
